

List of registered Education Consultancy and Placement Firms (ECPFs)

Education Consultancy and Placement Firms (ECPFs) in Bhutan are established to help aspiring students in selecting appropriate programmes and institutions. They assist in placing students in recognized institutions based on individual aptitude, preferences, and financial considerations. ECPFs offer counselling services and facilitate the admission process into various accredited educational programmes. These firms are required to comply with the Guidelines and the Memorandum of Understanding (MoU), which define their responsibilities and outline the roles of the Higher Education Quality Council (HEQC) and the Bhutan Qualifications and Professional Certification Authority (BQPCA). The registered ECPFs approved to provide services are:
